AirFest

Saturday,
November 2

R4D Skytrain

The fourth annual AirFest takes off at the Georgetown Municipal Airport on Saturday, November 2. Hours are 9 a.m. to 4 p.m. There is no admission fee.

See a Douglas R4D Skytrain, the Navy version of a DC-3, and a C-

47, which is the Army version of a DC-3. Both WWII-era planes will offer tours for a small fee. Other aircraft include Georgetown's Devil Dog B-25 bomber as well as a Vietnam-era Huey helicopter and

an MI-24 Hind Soviet attack helicopter. Many of the vintage and modern aircraft will offer rides for a fee, including the Huey and a Bell JetRanger helicopter. Attendees are encouraged to bring a canned food donation for The Caring Place.

Get all the details at airfest.georgetown.org.

District 2 Election Nov. 5

Election Day for city council District 2 is November 5. District 2 includes west and southwest areas of Georgetown. Bonnie Stump and Keith Brainard are candidates for the open seat.

According to the Texas Secretary of State, a photo ID will be required

for voting in the November 5 election. For details, go to votetexas.gov. Early in-person voting is Oct. 21 – 26 and Oct. 28 – Nov. 1. For early voting times and locations and vote center locations on Election Day, go to wilco.org/elections.

Electric Rate Changes

Changes to electric rates were approved by the city council in September and followed a ratemaking methodology established by the council in July. The changes were to re-balance the true fixed and variable costs to provide service, not to generate more revenue.

The residential monthly charge increased from \$6 to \$20 and recovers the fixed costs to provide service, such as electric lines, transformers, equipment, and staffing. The energy charge, which recovers the cost of electricity used, decreased from 10.46 cents per kilowatt-hour to 9.39 cents. A low-income discount was added to provide assistance to participants in the Medicaid program.

Electric rates will go into effect on October 1 and will be included on all bills generated after November 1.

Yard Trimmings Collections

Seasonal yard trimmings collections start on November 4. Collections are every-other-week and alternate with recycling collection days on your regular solid waste collection day.

Branches should be tied in bundles no more than four feet long or 35 pounds. Material such as leaves or twigs also can be put in compostable kraft paper bags that are available at local hardware stores. There is a limit of 20 bags or bundles per collection day. Material in plastic bags will be disposed as solid waste and landfilled.

Yard trimmings collections continue through January 10. Look up your yard trimmings and recycling collection schedule by street address at recycle.georgetown.org.

Fire Dept Training at Playscape

The Georgetown Fire Department conducted a survival training exercise at the playscape in September before the parks department began to dismantle the structure. The confined spaces and walkways of the playscape simulated a collapsed

building. With breathing masks covered in translucent wrap to simulate smoke, firefighters crawled along 200-feet of fire hose snaked through the structure to get out. Construction on the new playscape is set to begin in early 2014.
