

CITY EVENTS

City Council election

MAY 5

The ballot for Georgetown City Council races in the May 5 election includes candidates for District 1. Incumbent Anna Eby and Mary Calixtro are on the ballot.

The last day to register to vote in the May election is April 5. Early in-person voting is April 23 through May 1 and election day is May 5. Polling places, dates, and times are available at wilco.org/elections. To see maps of council districts, go to maps.georgetown.org/council-district-maps.

Sunset Movie Series - 'Coco'

MAY 11

Georgetown Parks and Recreation presents "Coco" (PG) at the San Gabriel Park Soccer Fields, 1003 N. Austin Ave., on Friday, May 11. The movie starts at sunset, about 8 p.m. This event is free. For details, visit parks.georgetown.org/sunset-movie-series.

Library, Assistance League of Georgetown Area fundraiser

MAY 19

The Georgetown Public Library and Assistance League of Georgetown Area are partnering again to host a fundraiser Saturday, May 19, at 6 p.m. called Through the Looking Glass.

Guests can indulge in food inspired by the Mad Hatter's tea party and enjoy activities such as a wine pull, white rabbit game, and live auction. The live auction will give revelers the opportunity to win one-of-a-kind Georgetown experiences, as well as other fantastic prizes while supporting both organizations.

Tickets for the event are now on sale at the library and online for \$50. For more information, visit library.georgetown.org.

City begins comprehensive plan update

In May, the City will begin a process to update the City's Comprehensive Plan. The 2030 Plan, adopted in 2008, is an overarching long-term plan for the future of Georgetown and contains the goals, policies and overall vision for the City's growth.

This 18-month update will include a population analysis, residential and commercial land use studies, and an analysis and strategies for the development of the city's gateway corridors including Williams Drive. The update to the 2030 Plan will result in a Future Land Use Plan and Implementation Plan which will guide City officials as they make decisions on where, when, and how the City should grow.

Throughout the update process, public outreach is planned to seek feedback on various parts of the plan and keep stakeholders aware of the process. More information will be available as the planning process kicks off in early summer.

CITY EVENTS (CONTINUED)

Water Safety Day

MAY 19

The Georgetown Parks and Recreation Department will host Water Safety Day at the Georgetown Recreation Center Outdoor Pool, 1003 N. Austin Ave., from 10 a.m. to 1 p.m. on May 19.

The annual event helps kick off the summer swim season with a fun-filled, educational family event designed to increase public awareness about drowning prevention and water safety.

The event is free and open to all ages. Attendees can visit with vendors, then stay and swim in the outdoor pool. Children age six and younger must have a guardian actively participating with them in the water at all times.

In the event of inclement weather, Water Safety Day will be moved to the indoor pool area.

For more information, visit parks.georgetown.org/water-safety-day.

Memorial Day

MAY 28

Outdoor pools open for the summer season on May 26 for the Memorial Day weekend and will be open through mid-August.

City offices and facilities will be closed but solid waste and recycling collection will remain on the regular schedule.

Go to parks.georgetown.org/aquatics for details.

Preservation Month

MAY

In May, the City of Georgetown, The Williamson Museum and Preservation Georgetown will host a series of Preservation Month events in Georgetown.

To join the theme of Preservation Month, take a "This Place Matters" photo at a place you love and post it on social media. Download a sign at savingplaces.org.

Go to williamsonmuseum.org or georgetownheritagesociety.org for details on events.

Call 811 before you dig

Call 811 before you dig. It's a free call, and it can save a life.

When you call 811, within 48 hours, utility companies are notified about your intent to dig and will send a locator to mark utility-owned underground electric lines, pipes, or cables in the work area, free of charge.

Utility companies will mark the location of their underground lines with paint, flags, or stakes using a standard color code, which you can see at Texas811.org. Customers should be aware of any unmarked lines not owned by a utility, such as a customer-owned connection to a water meter, a wastewater service tap, or an irrigation system.

If you are digging and damage a utility line, call the utility immediately. If you know it is a Georgetown Utility Systems line, call Customer Care at **(512) 930-3640**.

Just remember—know what's below. Call 811 before you dig.

How to find us on social media

The City of Georgetown has several ways for residents to follow us on social media. Check us out at [facebook.com/cityofgeorgetown](https://www.facebook.com/cityofgeorgetown), twitter.com/georgetowntx, [instagram.com/georgetowntx](https://www.instagram.com/georgetowntx) and [youtube.com/user/thecityofgeorgetown](https://www.youtube.com/user/thecityofgeorgetown).

Also, sign up for weekly e-newsletters at Georgetown.org.

WATER CONSERVATION REMINDER

As you turn your irrigation systems on for this spring, remember to pick two watering days from your assigned schedule. Find your schedule at gus.georgetown.org.
