# NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$0.418000 per \$100 valuation has been proposed by the governing body of City of Georgetown.

PROPOSED TAX RATE	\$0.418000 per \$100
NO-NEW-REVENUE TAX RATE	\$0.422127 per \$100
VOTER-APPROVAL TAX RATE	\$0.418013 per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for City of Georgetown from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval rate is the highest tax rate that City of Georgetown may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that City of Georgetown is not proposing to increase property taxes for the 2020 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 8, 2020 at 6:00 PM at 808 Martin Luther King Jr. St., Georgetown, TX 78628. You can also join via ZOOM or phone, info at bottom of notice.

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, City of Georgetown is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the governing body of the City of Georgetown at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

(List names of all members of the governing body below, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating absences.)
