## Council Redistricting Plan

The Georgetown City Council began to look at redistricting options at a workshop meeting on June 16. At that workshop, the council provided comments on three redistricting map options provided by a law firm specializing in redistricting. At a second council workshop on June 30 the city council is expected to develop a proposed redistricting map, also known as an illustrative plan.

The existing council district lines must be redrawn so that differences in population size among the seven districts are no more than 10 percent. The City Charter specifies seven single-member districts and a mayor elected at-large.

To see plan options presented at the June 16 or June 30 workshops, or subsequent proposed redistricting maps for Georgetown, go to [www.census2010.georgetown.org/redistricting](http://www.census2010.georgetown.org/redistricting).

Once the council agrees on a proposed map, it will be available for public comment at [georgetown.org](http://georgetown.org). To see the video replay of the June 16 or June 30 workshops, or other meetings on redistricting held this summer, go to [gtv.georgetown.org](http://gtv.georgetown.org).

The four firefighters were given the Green Cross, which represents a life saved during a technical rescue, and the Medal of Honor, which represents bravery and courage beyond the call of duty. Pictured in the photo are Diane Broadway, mother of Jacob Broadway, with Georgetown firefighters Travis Vinton, Shawn Carter, Josh Ratliff, and David Slay.

## Firefighters Honored for Rescue

Four Georgetown firefighters were honored at a June city council meeting for rescuing a man from a burning pickup truck. Traveling to visit his mother in Austin, Jacob Broadway, 17, was seriously injured on May 20 when his truck rolled over on its side on Interstate 35 and slammed into a post, causing the truck to catch fire. Broadway was pinned in the vehicle as it burned.

Responding quickly to the scene, firefighters extinguished the fire and used the jaws-of-life to make an opening to access Broadway. The firefighters also cut the door off the pickup to access the patient, who was removed from the pickup and treated at the scene before being taken to the hospital. Broadway sustained multiple broken bones and severe burns, but is on the road to recovery. He remains in the hospital in Houston.
